SAFETY

PLAY STRUCTURES AND ACCESORIES

All playground elements are designed to provide comfort and safety for all children in accordance with European standards. They comply with EN 1176: 2008.

All our products are covered by a 5 year warranty. If you need a longer warranty period It is possible to extend it after individual consideration depending on the place and the conditions of the installation of the object.

WARRANTY

For more information on the warranty and certification of individual products, ask your dealer or Fux System crew
